RE: Cause No. 08C01-2210-MR-1

In the cause listed above I, Richard M. Allen, Hereby throw myself at the mercy of the Court. I am begging to be provide with legal assistance in a Public Defender or whatever help is available.

At my initial hearing on Oct 28, 2022 I asked to find representation for myself. However, at the time I had no clue how expensive it would be just to talk to someone. I also did not realize what my wife and I's immediate financial situation was going to be. We have both been forced to immediately abandon employment, myself due to incarceration and my wife for her personal safety. She has had to abandon our house for her own safety. What little reserve there is will fail to even maintain the original residence.

Again I throw myself at the mercy of the court. Please provide me whatever assistance you may.

Thank you for your time in this most urgent matter.

Sincerely,

Richard M. Allen
