BREECH FACE MARKS <b>p bf mrks, lint-like substance and fouling on bf</b>	TRIGGER WEIGHT (APPROXIMATE) <b>SA: ≈ N/A</b>		<b>lbs</b>	<b>DA: ≈ 7, 7, 7.25, 7.25, 7.25 lbs</b>
TYPE OF SAFETY AND CONDITION / FUNCTION TEST No conventional, externally-located safety lever. Glock "Safe Action" system with (3) automatic independently operated mechanical safeties which are sequentially disengaged when pulling the trigger and are automatically re-engaged when releasing the trigger. (1) Trigger safety operable. A mechanical safety incorporated into the trigger in the form of a lever. When untouched, the safety blocks the rearward movement of the trigger. This safety can only be released by depressing the trigger safety and the trigger at the same time. The safety re-engages after the trigger is released. (2) Fp safety operable. Mechanically prevents the fp from moving forward by blocking the fp w/ a spring-loaded pin projecting into the fp cutout. The safety can only be released by the trigger being pulled to the rear. (3) Drop safety operable. When, engaged, the fp pushes the trigger bar onto the safety ramp under pressure from the fp spring which prevents release of the fp from this position. The safety can only be released by the trigger being pulled to the rear.				
IMPACT TEST (150+). Disconnect operable. No magazine or grip safety.				
TEST FIRED? <input checked="" type="checkbox"/> Y <input type="checkbox"/> N 2/17/17	<input checked="" type="checkbox"/> LABORATORY AMMUNITION <input type="checkbox"/> EVIDENCE AMMUNITION	(3) Winchester 40 S&W caliber cartridges, 180 gr (2) Speer 40 S&W caliber cartridges, 180 gr. DELPHI, IN 46923

**Laboratory Case Number:** 17K-00066

**Request Number:** 0003                   **Request Type:** Firearms

**Agency Case Number:** 17-00091

#### **DESCRIPTION OF ITEMS:**

- Laboratory Item 016                    Sealed paper bag containing a sealed envelope containing a 40 S&W cartridge.  
Agency Item 122
- Laboratory Item 024                    Sealed cardboard box containing one Glock, Model 22, 40 S&W caliber semiautomatic pistol, serial number NR668 US and one magazine (item 024A) containing fifteen cartridges (item 024A1).  
Agency Item 1301
- Laboratory Item 024T                 Sealed manila envelope containing cycled and test fired ammunition from the firearm in item 024.

#### **RESULTS/OPIIONS/INTERPRETATIONS:**

Examination of the cartridge in item 016 revealed it to be a 40 S&W caliber cartridge manufactured by or marketed as Winchester. The cartridge is loaded with a jacketed hollow point bullet.

The firearm in item 024 was examined for functional defects and test fired. No functional defects were found.

Examination of the magazine in item 024A revealed it to be a 40 S&W caliber staggered box magazine manufactured by or marketed as Glock having a capacity of fifteen cartridges.

Examination of the fifteen cartridges in item 024A1 revealed each to be a 40 S&W caliber cartridge manufactured by or marketed as Federal. The cartridges are loaded with jacketed flat nose bullets.

INDIANA STATE POLICE LABORATORY DIVISION

CERTIFICATE OF ANALYSIS

The cartridge in item 016 could not be identified or excluded as having been cycled in the firearm in item 024. The cartridge in item 016 did not exhibit corresponding individual characteristics to the firearm in item 024 and there was nothing to suggest that the cartridge in item 016 was cycled in the firearm in item 024.

A test fired cartridge case from item 024T and the cartridge ejector mark on item 016 were entered into the IBIS database.

The test fires in item 024T will be returned to the contributor. It is recommended that the test fires are retained for a period of at least five years.

EXTRACTOR ≈ 3:00 to 4:00	EJECTOR ≈ 7:30	FIRING PIN Centerfire	FIRING PIN SHAPE Hemispherical	
BREECH FACE MARKS p/misc bf mrks	TRIGGER WEIGHT (APPROXIMATE) SA: ≈ 4, 4, 4, 4, 4 lbs DA: ≈ 9.5, 9.5, 9.5, 9.5, 9.5 lbs			
TYPE OF SAFETY AND CONDITION / FUNCTION TEST Automatic firing pin block (operable). The automatic firing pin lock ensures safe carrying of the weapon and provides instant readiness without actuating a manual safety. This firearm has a DA/SA system. When loaded, and a round is chambered, the hammer remains cocked by the sear. The pistol may be fired by a short, light single action trigger pull or decocked by pressing the decocking lever down and releasing it. Once decocked, the pistol may be fired by a longer, heavier double action trigger pull. As the trigger is pulled, the hammer is moved back by a connecting link called the trigger bar. At a position near the cocked position, the trigger bar releases the hammer. The advantages of DA/SA are the long, deliberate trigger pull required to fire the first shot, which minimizes the chance of an accidental discharge, and the short, light trigger pull on subsequent shots, which promotes more accurate fire.				
IMPACT TEST (150+). Disconnect operable. No magazine or grip safety. No hammer push-off.

| Agency Item 8638     |   |

**RESULTS/OPINIONS/INTERPRETATIONS:**

The firearm in item 090 was examined for functional defects and test fired. No functional defects were found.

INDIANA STATE POLICE LABORATORY DIVISION

**CERTIFICATE OF ANALYSIS**

Examination of the magazine in item 090A revealed it to be a 40 S&W caliber staggered box magazine manufactured by or marketed as Smith & Wesson having a capacity of fifteen cartridges.

The firearm in item 101 was examined for functional defects and test fired. No functional defects were found.

Trace material was collected from the firearm in item 101, sealed in a separate package, and returned with item 101. If further examination is warranted, please contact the reporting laboratory.

Examination of the magazine in item 101A revealed it to be a 40 S&W caliber box magazine manufactured by or marketed as Sig Sauer having a capacity of seven cartridges.

Examination of the five cartridges in items 106A, 106B, 106C, 106D, and 106E revealed each to be a 40 S&W caliber cartridge manufactured by or marketed as Winchester. The cartridges are loaded with jacketed hollow point bullets.

The cartridge in item 016 could not be identified or excluded as having been cycled in the firearm in item 090. The cartridge in item 016 did not exhibit corresponding individual characteristics to the firearm in item 090 and there was nothing to suggest that the cartridge in item 016 was cycled in the firearm in item 090.

The cartridge in item 016 could not be identified or excluded as having been cycled in the firearm in item 101 or the same firearm that cycled the cartridges in items 106A, 106B, 106C, 106D, and 106E. The cartridge in item 016 did not exhibit corresponding individual characteristics to the firearm in item 101 or the cycled cartridges in items 106A, 106B, 106C, 106D, and 106E.

A test fired cartridge case from items 090T and 101T, and the cartridge ejector mark on item 106A were entered into the IBIS database.

The test fires in items 090T and 101T will be returned to the contributor. It is recommended that the test fires are retained for a period of at least five years.

4 RA Okay.

5 MA What's up? Hey, Rick. What's up?

6 RA Hey, I'm sorry if I woke you up, but I don't know how much  
7 longer I'm going to be lucid. I wanted to talk to you  
8 because you're the strongest person I know. Are you  
9 there?

10 MA I'm still here.

11 RA Okay. Just don't say anything. Let me get through this.

12 MA Okay.

13 RA I, I feel like they just about killed me. They've just  
14 about won here, but, like, I'm about to lose my mind. I  
15 feel like talking to Kathy and Mom is killing them because  
16 I can't do it without being emotional. So I want you to  
17 let the entire family know that I love them. They know  
18 me.

19 They know that I would never do something like I've  
20 been accused of. I've got to make a decision, and that  
21 decision is not to make phone calls to them anymore, and  
22 it's not because I don't love them. It's because I,  
23 honestly, going forward from this point, I don't know what  
24 I'm going to say. Do you understand?

25 MA Yes.

Page 5

1 RA Okay. So a couple other things. I tried to tell Kathy  
2 that I don't want money. I'm afraid you guys are going to  
3 get extorted. I'm afraid somebody's going to tell you  
4 that I need money or they're going to make me call and  
5 tell you that I need money, and I don't.

6 I want Kathy to know that I know how bad she wants  
7 to give me money. I know how bad you all want to give me  
8 money. I don't need money. I'm -- I've got coffee.  
9 That's what I want you to know. I, I've got coffee. I  
10 don't know if there's drugs or anything in it. I don't  
11 know if the Kool-Aid -- I don't know if anything has drugs  
12 in it anymore.

13 Here's what I know. I don't think I'm being  
14 physically tortured. I think I've been mentally tortured  
15 for the last five and a half, six months. I think they're  
16 feeding me every day. Mentally I feel like I'm in  
17 Guantanamo Bay, Cuba, and I'm -- I -- okay. I, I, I don't  
18 know.

19 Oh, yes. I am on camera or I am -- supposedly I am  
20 on camera twenty-four hours a day, seven days a week, and  
21 whether that's true or not, I, I, I don't know, but I just  
22 want you to know that. So anything that I say or do  
23 should have been on camera at some point. So if somebody  
24 tries to say I, I did or said something that I didn't --  
25 you still there?

Page 6

1 MA Yes, I'm still here.

2 RA Thank God. Okay. So that's pretty much it. The only  
3 other thing that I wanted to tell you was that you are  
4 always and will always be my father. Nobody else ever  
5 was, and I'm sorry for the way that I've kind of distanced  
6 myself from you after I had my breakdown or whatever it  
7 was, but in my eyes, you've never been real emotional, and  
8 I guess I felt since that happened to me that you've been  
9 trying so hard --

10 MECHANICAL VOICE: You have one minute remaining.

11 RA You still there?

12 MA Yup, I'm still here.

13 RA Okay. You've, you've been trying so hard to -- you've  
14 been wonderful to me is what I'm trying to tell you, Dad,  
15 and one more thing before I forget. I don't want -- do  
16 not, do not let somebody get you to pay for an attorney  
17 because I, I'm not going to do it. They're not going to  
18 extort money from you guys.

19 I tried to think of why they would do this, and the  
20 only thing that I can think of is there was the election  
21 right after I was arrested. That's all I know. I love  
22 you. I love the family. I want you to let them all know  
23 that. I'm not going to call unless I need something and  
24 it's -- if I need money for coffee or something, I'm going  
25 to call you, okay?

Page 7

1 MA No problem. You can do that.

2 RA Okay. I love you, Daddy.

3 MA I'm proud of you, Rick. I love you too.

4 RA I love you. Bye.

5 MA I love you too. Bye.

6 RA Okay.

7 MECHANICAL VOICE: Thank you for using GTL.

3 TRANSCRIBERS'S CERTIFICATE

4 I, Gail Malm Armstrong, Notary Public for the State of  
Indiana, do hereby certify that the above, within and  
foregoing is a true, full, complete, and correct transcript of  
a telephone conversation between Richard M. Allen, Janis  
Allen, and Marvin Allen originating from Westville  
Correctional Facility, 5501 S 1100 W, Westville, Indiana,  
46391, on MONDAY, APRIL 3, 2023, commencing at 3:12.

5 That said conversation was recorded by means of a digital  
6 audio recording device and that later on April 5, 2023,  
7 Investigator Stephen L. Mullin, Carroll County Prosecutor's  
8 Office, 101 W. Main Street, Delphi, Indiana, 46923, delivered  
9 the recording to me and requested that I transcribe the  
10 telephone conversation after which I reduced it to print. I  
11 was not present during the telephone conversation.

12 I do further certify that I am a disinterested person in  
13 this cause of action, that I am not a relative or attorney of  
14 any of the parties or otherwise interested in the event of  
15 this action and am not in the employ of the attorneys for the  
16 respective parties.

1 RA I think I did.

2 KA No. No. You didn't. They are screwing with you there,  
3 and I'm trying to get to the bottom of it. There's  
4 something wrong.

5 RA I just don't know what to do with --

6 KA They're messing with you. They are messing with your  
7 mind.

8 RA Did Dad tell you I called?

9 KA Yeah. Yeah.

10 RA What did I say to him?

11 KA I don't know. I, I talked to your mom, but she's -- she  
12 called me and, and we're just worried about you because  
13 there's -- something's not right.

14 RA Is there a way to talk to dad?

15 KA No, Honey. I'm not with them right now, and there's  
16 something wrong. They're screwing with you there.

17 RA What did I say to Dad?

18 KA Maybe they're -- they have done something to your food or  
19 they've done something to your meds, and there's something  
20 wrong. Don't you ever say you did anything because I know  
21 you didn't.

22 RA I think I did.

23 KA No, you didn't. Why would you say that?

24 RA I just -- because I think I did.

25 KA No, you didn't, Dear. You know you didn't.

Page 6

1 RA I wish I could say I didn't. I don't know.

2 KA You don't know. See, exactly. There's something wrong.

3 They're screwing with you, trying to get you to say things  
4 and trying to mess with your mind.

5 RA [indiscernible] I guess.

6 KA Leave it. There's something wrong. No, you don't.

7 RA I just wish they'd kill me or let me apologize to the  
8 families at least.

9 KA Dear, don't talk any more. Just don't talk any more,  
10 okay?

11 RA I want to [indiscernible].

12 KA Don't talk any more. I need to get a hold of somebody  
13 there.

14 MECHANICAL VOICE: Thank you for using GTL.

24 COMMENCEMENT OF RECORDED TELEPHONE CONVERSATION:

25 RA Kathy.

KA Hello. Yeah.

RA Kathy? You got to get me out of here.

KA Yeah. Huh?

RA Huh? What's going on?

Page 4

1 KA What, Honey?  
2 RA Did, did, did, did I call you this morning?  
3 KA Yes, you did, Honey. You did.  
4 RA Oh, my God. Did I call Dad last night?  
5 KA Honey, don't panic, okay?  
6 RA Hon, Hon, --  
7 KA Honey --  
8 RA -- oh, God.  
9 KA It's okay.  
10 RA And I had the worst dream last night and I don't --  
11 KA It's okay, Honey. Calm down.  
12 RA What's going on? Now I can't --  
13 KA Honey, --  
14 RA -- you got to get me out of here, Hon.  
15 KA Listen. I know, Honey.  
16 RA [indiscernible].  
17 KA I know, Honey. I know.  
18 RA I haven't touched the water.  
19 KA I know.  
20 RA Haven't touched the water, the coffee.  
21 KA I know. I know. They need to test you.  
22 RA No water.  
23 KA Okay?  
24 RA The water, the coffee, the --  
25 KA Well, --

Page 5

1 RA -- the water, the -- what's -- I'm losing my mind, Hon.

2 KA Sweetheart, listen to me.

3 RA No.

4 KA I know, Honey. Listen to me, okay?

5 RA Hon, all I remember is you -- hey, listen, I had the  
6 most horrible dream --

7 KA It's okay.

8 RA -- and now listen.

9 KA Oh.

10 RA The next thing I remember is you telling me to hang up,  
11 hang up, okay? That's what you told me.

12 KA That, that wasn't a dream.

13 RA Hon, --

14 KA It wasn't a dream, Baby.

15 RA -- what's going on?

16 KA It's okay. Okay. I, I think they've changed your meds,  
17 Honey, or something. They've done something to you, okay?  
18 I'm working on it.

19 RA I can't --

20 KA I'm going to have somebody come up.

21 RA Not -- no, okay. Hey, listen, listen.

22 KA Okay. Yeah. Yeah.

23 RA I, I don't know if I'm going to trust the lawyers when  
24 they get here because I don't know if they're really my  
25 lawyers.

Page 6

1 KA You need to. No, they are, Honey.

2 RA Huh?

3 KA You need to. They are.

4 RA I --

5 KA They are. I promise you.

6 RA -- I need to, I need to -- listen to me. Somebody in my  
7 family is going to have to prove that to me. They're  
8 going to have to talk over the phone or something.

9 KA Okay. I can do that.

10 RA Okay. I, I, I won't talk to anybody --

11 KA Just have them call me, okay?

12 RA -- except somebody -- unless, unless somebody in my family  
13 is here, I will not talk to anybody.

14 KA Okay. Well, if you can get them on the phone, I can do  
15 that, okay?

16 RA You -- okay, if I don't see you again, will you please  
17 tell everybody I love them?

18 KA Absolutely, Sweetheart, you will, okay?

19 RA Okay. Hey, I --

20 KA Okay, Sweetie?

21 RA -- did I talk to Dad last night?

22 KA It's okay. I -- yes, you did. I don't know what you  
23 talked about though, okay?

24 RA Okay. I got to go.

25 KA It's okay but it's not a dream. Okay. I love you.
